About NeuLevel

NeuLevel is a joint venture between **NeuStar**, the trusted, neutral third-party provider of mission-critical services to telecommunications and Internet service providers around the world, and **Melbourne IT**, a leading international domain name registrar.

NeuLevel combines NeuStar's credentials and experience in managing large, mission-critical databases with the technically advanced, domain name registration capabilities of Melbourne IT. NeuLevel was selected by and has contracted with the Internet Corporation for Assigned Names and Numbers (ICANN) to be the exclusive operator of the **.BIZ** Registry.
